

*The Round Rock Senior Citizens Foundation
invites you to join the 16th Annual*

Daffodil Festival

Saturday, March 6th

The Round Rock Senior Citizens Foundation is a non-profit organization composed of local senior-aged volunteers. Since 1991, it has worked to make positive changes in our city and through various programs has improved the quality of life for senior citizens in Round Rock.

The RRSCF contributes to the financial support of the Allen R. Baca Center for Seniors and Community Activities, which is home to prominent community endeavors such as the Round Rock Meals-on-Wheels and Senior Citizen Hot Lunch programs. In 2003, we successfully lobbied the 78th Legislature of the State of Texas to have Round Rock named the “Daffodil Capitol of Texas”.

The Daffodil Festival is an interactive, family-focused event. There will be live entertainment and children’s games all at NO COST! We have set up a raffle with incredible prizes and a terrific live-auction on the day of the event.

We ask you to join us in our mission to help keep Round Rock a wonderful place to call home. We are currently seeking:

- Donations for raffle & live auction
- Vendors
- Live entertainment
- Corporate sponsors

Please see the following page for sponsorship details and contact information.
